

MINUTES OF THE FINANCIAL BID OPENING MEETING REGARDING SOLARIZATION
OF KPEMA HEAD QUARTER, ON JANUARY 06th 2023 AT 12:30 PM

The subject meeting was held on Friday 06-01-2023 at 12:30 pm under the Chairmanship of Director, KPEMA in the Conference Room of EMA Head Office, Peshawar. List of participants is duly attached.

The meeting started with recitation from the Holy Quran. AD (G) briefed the meeting regarding the Technical Evaluation of the firms based on which the marking of both the firms is attached at Annexure-A. As per the mandatory criteria the **TSK Engineering International (PVT) Ltd** was deemed responsive whereas the **CATKIN Engineering Sales and Services PVT Ltd** was found non-responsive.

It is pertinent to mention here that pursuant to the technical evaluation, the result was uploaded to KPEMA and KPPRA websites in order to invite grievances, if any, from the firms that can be addressed. However, no grievances were received against the Technical Evaluation of the shortlisted firms. Moreover, both the companies were intimated regarding opening of their financial proposals.

Representative of TSK Engineering International (PVT) Ltd was in attendance during the financial bid opening. The financial bid of the technically qualified bidder (TSK Engineering International (PVT) Ltd.) was opened. The meeting was informed that the financial bid of disqualified bidder will be returned unopened. The same can be collected from the office of the undersigned during office hours on any working day.

The 2% bid security in the form of CDR offered by TSK Engineering International (PVT) Ltd was found correct.

Since a single bidder has both technically and financially qualified, it was proposed that we may acquire views / comments of KPPRA on how to proceed in the matter. The Chair appreciated and endorsed the suggestion.

The meeting ended with a vote of thanks to and from the chair.
